A Message to Members

We welcome you to another golfing year which will be our forty sixth year in existence.

We all recognize the challenging times Golf Clubs are facing throughout the land and we believe that with the commitment of our members and the simple love of the game we can withstand these challenges. To this end we encourage all members to support our Club by entering competitions, attending social events in the Clubhouse, supporting our Sponsors, promoting the Club and securing new members at every opportunity.

We extend a warm welcome to any new member who wishes to start their golfing life in a friendly atmosphere.

Improvements have been made to our Clubhouse. The condition and maintenance of the course is of paramount importance in any Golf Club and this year we have engaged an agronomist to advise and oversee improvements in greens and fairways.

The various committees are now in place and we urge you to give them your support and share any ideas you may have to enhance life at our Club.

We wish you all an enjoyable and successful year and we hope that your time spent at our Club will be a pleasant and memorable experience.

CARING FOR YOUR COURSE

Members are requested to respect our Golf Course by putting into practice the following:

No Practice Swings on Tees

Use Pathways

Replace Divots

Repair Pitch Marks

Rake Sand Bunkers

Keep the Course Tidy

Soft Spikes Preferred

Members playing in competition are expected to keep their place on the course and not fall back to delay the rest of the players coming after them.

Remember your place on the course is directly behind the people in front, not directly in front of the people behind.

The greens are in first class condition. We ask members to keep them like this, by repairing **ANY** pitch marks found on the greens, also to see that your playing partners do the same. **Remember a pitch mark repaired within 5 minutes will recover in 24 hours, but a pitch mark repaired in 24 hours will take 2 weeks to recover.**

TIME SHEETS

Members are requested to respect the use of the Time Sheet by writing their names clearly, not using "+1" or "+2" and most importantly, letting the club know in good time if you cannot play at the appointed time. This may allow others members to avail of the course.
